Salmond: Sex charges are ‘fabrications’

ALEX Salmond has claimed that sexual assault allegations against him are either “deliberate fabrications for a political purpose” or “exaggerations”.

Mr Salmond also denied claims that female civil servants were not allowed to work alone with him while he was Scotland’s first minister.

The former SNP leader denies 13 charges of sexual assault against nine women at the High Court in Edinburgh.

The alleged offences are all said to have happened during his time in office.

Asked about an allegation that he had grabbed the wrists of one civil servant, asked her to recreate an “inappropriate” image from a Christmas card and tried to kiss her, Mr Salmond insisted it had merely been “high jinks” and a “bit of fun”.

Classic painting burgled by boat

ART burglars who stole a work by 17th Century master Anthony Van Dyck may have used a boat to escape after the heist, police have said.

A Soldier On Horseback by the Flemish artist, a leading court painter under King Charles I, dates from around 1616.

The work was among three stolen from the University of Oxford’s Christ Church Picture Gallery on Saturday.

Thames Valley Police said a boat could have been used “to access and leave the site”.

The thieves also made off with two other paintings.

CONSPIRED: Hashem Abedi

Manchester bomber brother guilty of 22 murders

THE brother of the Manchester Arena bomber has been found guilty of 22 charges of murder.

Hashem Abedi conspired with his brother Salman Abedi, who killed himself and 22 others when he detonated a bomb at an Ariana Grande concert in May 2017.

Up to a thousand other people were either physically injured or suffered mental trauma as a result of the explosion.

The trial at the Old Bailey in London had heard that even though Hashem Abedi, 22, wasn’t in the UK at the time of the explosion, his DNA and fingerprints were found in the properties in Manchester where they both made the bomb.

The younger brother had denied the charges and, in an earlier statement to Greater Manchester Police, had tried to distance himself from his brother’s atrocity.

Explosives

But evidence presented in court showed how he was involved in the research, experimentation and making the explosives, before returning to Libya a month before the attack.

Prosecutors said he was “just as guilty” as his brother.

In court, he offered no evidence in his defence and fired his legal team in the closing stages of the trial.

Martin Hibbert, one of the survivors of the attack who was just yards away from the bomb, told Sky News: “From the day that I woke up and was told I was never going to walk again I have just been very positive.

“These people want to change the way we sit and talk today.

“What they don’t want me to do is sit here with a smile on my face, living life to the full, that will hurt them more than me wanting revenge or being angry about it.”

ACTION: Rishi Sunak will help bars and clubs after Boris warned people off them

By COLIN HURST
news@sundaysport.co.uk

RISHI Sunak unveiled a raft of measures yesterday aimed at preventing Britain going bankrupt as the coronavirus continues to spread death and chaos.

The Chancellor spoke after it emerged the number of people who have died with the deadly bug in the UK has reached 56.

Some 1,950 people have tested positive for COVID-19 to date – a rise of 407 on the previous day – but the actual number of cases could be as high as 55,000.

The package of measures from the Chancellor included assistance for pubs, clubs and theatres all funded by borrowing on a scale unprecedented in peacetime.

Addressing the nation on Monday, Prime Minister Boris Johnson told Britons to avoid such premises.

But business owners criticised the PM for not telling them to close – since if he did, they would have more chance of claiming insurance to save their businesses.

And with the end of the tax year approaching, many firms will be preparing for big bills on things like VAT.

Havoc

Earlier, former chancellor George Osborne had called for a “massive” government scheme to underwrite bank loans to businesses.

He wrote on Twitter: “Budget measures last week were fine, but not enough.”

A former adviser to Mr Osborne has suggested the total commitment needed from the government could be as big as £450billion.

Elsewhere, the spread of the virus continues to wreak havoc.

Foreign Secretary Dominic Raab has advised Britons against all but essential travel globally.

There is pressure for the UK to join the EU in barring all arrivals from outside the bloc.

The government is publishing emergency legislation to bring back recently-retired doctors and nurses, enhance sick pay, and hold criminal trials by video link.

All non-essential ops will be cancelled from April 15 to free up 30,000 hospital beds.

Meanwhile, he virus’ latest sporting victims saw the historic Boat Race between Oxford and Cambridge called off – the first time it’s been cancelled outside of a world war.

The Grand National was met with a similar fate after organisers called a halt to one of the biggest events in horse racing.

Football’s Euro 2020 has been postponed by one year until 2021, the Norwegian FA said.

Uefa, the European game’s governing body, held an emergency video conference which involved all the major stakeholders.

Ballpark

It was decided that the tournament will now take place from June 11 to July 11 next year.

The government’s chief scientific adviser Sir Patrick Vallance told the health select committee that a death rate of one fatality for every 1,000 cases was a “reasonable ballpark” figure, based on their scientific modelling.

Sir Patrick said it would be a “good outcome” if 20,000 or fewer people died of the virus in the UK.

BROTHERLY LOVE TOY!

Meg's sibling makes her a dildo on 3D printer

STEAMY VIDEO: Megan

THE bond between a brother and sister is a special one of love, friendship and protection.

And for *Love Island* babe Megan Barton-Hanson, that bond now includes... SEX TOYS.

The busty former porn star, who found fame on the 2018 version of the ITV show, revealed her brother's latest gift on her Instagram account.

By GRACE HOOPER
news@sundaysport.co.uk

And the bizarre present was a miniature dildo!

Megan wrote: "When you ask your brother to print you something with his 3D printer!"

Thick

But curvy Meg is no stranger to dildos – back in her days as an online porn performer she used to stick one up herself.

And one video in particular has been seen by more than two million people online – when she grips a thick purple vibrator that she slips inside herself until she climaxes.

A source said: "This is a weird thing to give to your sister.

"They obviously have what you'd call a very jovial relationship.

"I wonder if he's seen his sister's videos?"

LAURA SEX SHOW 'CON'

LAURA Whitmore has been caught up in a sex show sham.

The *Love Island* presenter, 34, took to Instagram to share and warn about a fake email circulating around the showbiz world, urging former reality TV personalities to take part in a new show based around sex.

The deceitful show-makers claim that Dublin native Laura *(right)* will be fronting the outrageous sex programme.

And if they were willing to take part in the so-called show, contestants would get a hefty £25,000 pay cheque.

Self-isolation? My arse!

BRILLIANTLY-bottomed Demi Rose is making the most of the coronavirus crisis – by sharing pictures of her bare butt on Instagram.

The 23-year-old Brummie was snapped from above on a luxury poolside lounger with a sexy blonde pal – and they were both completely naked!

She wrote to her 11 million followers: "Isolation."

A showbiz source said: "I'd give anything to sniff that trumper!"

Skint sex workers in crowdfund plea

A SEX worker has set up a crowdfunding page to raise money for prostitutes hit by the closure of brothels due to the coronavirus.

The Dutch government has ordered the closure of sex clubs in Amsterdam's Red Light district, where mainly female hookers pose in windows.

Hella Dee – a member of the union for sex workers – set up a funding appeal, saying the closures have impacted sex workers and their families.

The project will give handouts for emergency supplies.

Woman tries to beat disease with cheese

A FEMALE pisshead revealed she has spent the past few days mistakenly washing her hands with a block of CHEESE.

Miley Werner thought she was doing her bit to stop the spread of coronavirus by thoroughly washing her hands with a bar of soap – which turned out to be a block of mature cheddar.

On website Reddit, Miley, of Vancouver, Washington, told how the cheese was mistaken for a bit of soap after it was left out of the fridge following a drunken late night snack.

Wetherspoon boss in warning to Boris

PUB giant Wetherspoon's boss has warned the Government will make a tactical error if it resorts to a "de facto lockdown" of pubs due to the coronavirus crisis.

Tim Martin pointed out the huge impact pubs have on the economy, amid fears of huge job losses after Prime Minister Boris Johnson told people to stop going to pubs.

"Lockdown delays the inevitable and destroys the tax base at the same time, which will cripple the NHS and the economy."

ISIS BAN TERRORISTS FROM EUROPE OVER COVID-19 FEARS

Jihadists running scared of bug

By ROY DURRIDGE
news@sundaysport.co.uk

TERROR group ISIS has issued orders to its bloodthirsty Jihadi troops to temporarily avoid killing people in Europe because of the coronavirus.

It advises supporters not to enter "the land of the epidemic" – and also backs public guidance to to wash their hands.

The directive is featured in the latest issue of the group's al-Naba newsletter, which contains a full-page of "directives to deal with epidemics" taken from Islamic texts. It highlights "the obligation of taking up the causes of protection from illnesses and avoiding them".

The newsletter adds: "The healthy should not enter the land of the epidemic and the afflicted should not exit from it."

Virgins

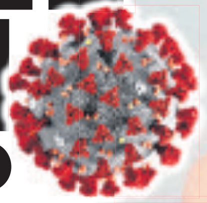
Wearing a mask and gloves an ISIS spokesman confirmed: "We have a duty of care to our mass murderers. Yes, they face utopia and virgins when they blow themselves up, but we have to keep them alive long enough to do so."

The guidance includes covering the mouth when sneezing, as well as sealing water containers.

One hadith, or saying of the prophet, reads: "There is one night in the year when pestilence descends, and it does not pass by any vessel that is not covered or any waterskin that is not tied up, but some of that pestilence descends into it."

The number of confirmed cases in Europe has soared, and outbreaks of virus have also been reported in other countries where ISIS are active, including Iraq, Afghanistan and Indonesia.

CURE THE VIRUS AND BUM ME UP THE ARSE!



Porn star's XXX-rated offer to boffins

By JAYNE FERGUSON
news@sundaysport.co.uk

A PORN star has offered rough BUM SEX to anyone who invents a cure for coronavirus.

Iyubov Bushueva, 27, known in flesh flick circles as Lola Taylor, is in self-isolation at her home in the Russian capital Moscow.

The blonde beauty posted a video on social media explaining that she is quarantined indoors but is willing to bed whoever comes up with a treatment for COVID-19.

Bushueva added that she would be arrested if she left her home, although she did not give details as to why she was quarantined.

But on her sensational offer, she posted: "Cure this and you can have my ass for as long as you like.

"And when I say 'long', I really mean it. My dark, holy place is there for the rough taking for the clever guy – or girl – who invents a vaccine."

Fan Alexey Sinichkin commented: "This is how to get young scientists motivated to invent a vaccination."

And Ty Znaesh said: "She probably costs no more than £700 for one night. I reckon a cure for COVID-19 would be worth way more than that!"

Hygiene

Meanwhile, American adult film director Vex Ashley has called on porn stars to remain healthy during the COVID-19 outbreak.

She said: "When your body earns you money, you really need to keep a closer eye on cleanliness, hygiene and prevention than most other people."

The director also said that the porn business has been seriously affected by the virus outbreak and she recently had to cancel a project due to a ban on mass gatherings.

Ashley said that many of her colleagues have had to halt film productions indefinitely.

This could be a blow to the millions self-isolating at home who rely heavily on grumble.

THE recording of *Celebrity Juice* was called off and its studio audience sent home due to coronavirus concerns.

Show bosses pulled the plug on Monday night following a Government update.

Presenter Keith Lemon and guests Paddy McGuinness, Joel Dommett and Roman Kemp shared updates on Twitter following the announcement.

The Masked Singer host Dommett (*above*), who had dressed as Billie Eilish for the occasion, said: "What a weird evening – went to record *@celebjuice official* – then the audience were told to go home after Boris' speech.

"Having serious logistic based conversations while dressed as *@billieeilish* was one of the strangest things I've ever been involved in. Stay safe everyone – keep washing your bits."

No getting out of jury service

SERVING jurors are expected to attend court as normal unless they are in at-risk groups, have symptoms or a confirmed case of coronavirus, according to new advice.

Updated guidance says that jury service is an "essential" part of the criminal justice system and "one of the most important civic duties a citizen can undertake".

For those already on trials, jury service is currently continuing, and individuals are expected to attend court "unless they have a reason not to".

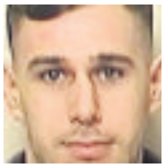
Laura Ashley in administration

FASHION chain Laura Ashley has filed for administration, putting thousands of jobs at risk, after rescue talks were halted by the COVID-19 outbreak.

The troubled retailer had been in talks with stakeholders over refinancing, but it said its "revised cash flow forecasts and increased uncertainty" mean it will not be able to secure these funds in sufficient time.

It said it had hired advisers to oversee the administration.

The retailer operates 150 stores in the UK and employs around 2,700 staff.



Escaped armed robber's dummy run with lover

AN armed robber fled from jail after he made a makeshift dummy and put it in his cell – before then climbing a prison wall.

Guards only realised Luke Harvey, 30 (*above*), was missing when they did a final late-night check on lags at HMP Sudbury, Derbys, on August 31 last year.

Prison CCTV showed Harvey scaling the 10ft wall where his other half, Hannah Smith, was waiting for him.

They went away for a weekend in Skegness, with Harvey allegedly telling Smith, 30, he was due back at prison on Monday morning.

However, instead of returning, he went on the run for a week.

The pair were eventually stopped on the M6 near her home in Birmingham.

Harvey has since had another 10 months added to a 12-year prison sentence for a violent robbery in 2014.

Smith was given a six-month sentence, suspended for two years, at Derby Crown Court.

Orlando: My life Bloomed after sex ban

HOLLYWOOD hunk Orlando Bloom says a self-imposed sex ban led to his successful relationship with pop singer Katy Perry.

The pair enjoyed an on-off relationship for a number of years and are now engaged and expecting a child.

Orlando, 43 (*above*), revealed that he had no true female friends, admitting there was always a "sexual interest" in any dynamics he pursued with women.

The *Pirates of the Caribbean* actor said: "It takes away the idea of going to a party and thinking, 'Who am I going to meet?' I was suddenly like, 'Oh, I can have a relationship with a woman that is just friends'.

"I was going to do three months, but I was really enjoying the way I was relating to women, and to the feminine within myself.

"I know that sounds crazy."

Orlando and Katy, 35, were romantically linked before, but his new focus meant he was seeked a deeper connection with her.

Naked death driver handed hospital order

A NAKED driver who killed one highways worker and injured another when he sped through roadworks will be detained indefinitely in a secure psychiatric unit.

Sorin Laszlo, who a judge said suffers from paranoid schizophrenia and persecutory delusions, has been made subject to a hospital order under the Mental Health Act.

He was found not guilty of causing the death of 22-year-old Dudley man Blaine Rock by dangerous driving and causing serious injury to Paul Currie by reason of insanity.

After hearing from a psychiatrist who has assessed Laszlo, Judge Anthony Potter made him subject to a hospital order.

He also imposed a restriction order which means 42-year-old Laszlo, from Nuneaton, cannot be discharged without the approval of the Secretary of State.

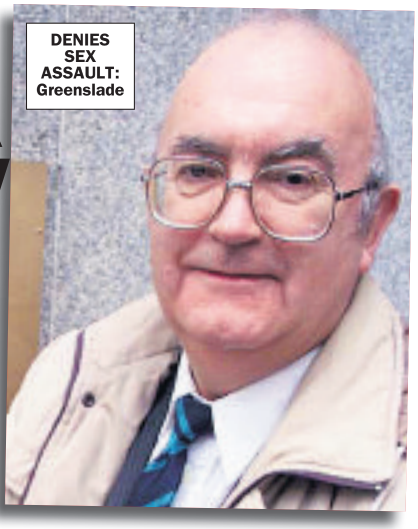
Court told council boss groped woman's breast at function



DENIES SEX ASSAULT: Greenslade

A COUNCIL and police boss sexually assaulted three women over an 11-year period, a court heard.

By COLIN HURST
news@sundaysport.co.uk

Lib-Dem councillor Brian Greenslade was the leader of Devon County Council, chairman of the Devon and Cornwall police authority and a district councillor in North Devon.

A jury was told he groped the breasts of two women and digitally penetrated one of his victims.

And one of the victims told him she would "break his fingers" if he did not stop feeling her breast during a civic lunch.

Prosecutor William Mousley QC said the married 71-year-old had served as a well-known politician in Devon for many years.

Lunged

But in 2018 he said 'another side of his character' emerged after an internal investigation at Devon County Council censored him on the grounds of his behaviour.

Three women made complaints of sexual assault against him.

Exeter Crown Court heard that during a site visit in Cullompton, Devon, in 1994, Greenslade 'suddenly and without warning lunged at a woman, grabbed both her arms and tried to kiss her'.

He then put his hand down the front of her trousers and sexually assaulted her.

At a workplace in North Devon, Greenslade grabbed a woman's breast from behind at a photocopier.

She was left feeling 'sick and shaky' but feared for her job if she complained.

The third sex attack happened at a county council function in 2005 when he put his arm around a woman and touched her breast.

Mr Mousley said: "The woman told him quite calmly that if he didn't move his hand immediately, she would break his fingers."

Greenslade, of Marwood, North Devon, denies all three charges of indecent assault and sexual assault.

The trial continues.

Care boss jailed for ‘troubled’ teen sex

A CARE manager has been jailed for having sex with a vulnerable and suicidal teen.

Michelle Baxter, who was married to a solider at the time of the affair, had sex with the “troubled” 19-year-old while on the job.

Baxter, 45, had already admitted ill-treatment of the young man in her care and misconduct in a public office when she appeared at Worcester Crown Court.

Baxter, who had been the manager in charge of a team of care workers in Hereford, pleaded guilty on earlier this year.

The sex took place between January 2016 and September 2017.

Judge Robert Juckes QC said the “deeply vulnerable adolescent with a long history of causing trouble to those charged with his care” had “suicidal tendencies”.

He added: “You said in interview he began very quickly to show a sexual interest which you found hard to resist.

“It seems sexual contact started in January 2016 and escalated into a full sexual affair.”

He also said Baxter had shown contrition and added: “It does seem you have shown exceptional remorse.”

He jailed her for two years and two months.

Writing on a Facebook post, Sara expressed her concerns that children and teenagers looking to do a bit of self-grooming might come across the images.

She wrote: “Eek! Sex toys in hair removal products category on Amazon??? Really???? This is a category that teens would browse through.

SEX TOY SALES ARE BUZZING!

WHAT WE GONNA DO?... Self-pleasure of course!

Virus self-isolation means kinky firms are quids-in

By JAYNE FERGUSON
news@sundaysport.co.uk

IT'S not just bog rolls that are being snapped up – there's a global run on SEX TOYS amid the coronavirus outbreak.

Sex toy brand Womanizer says global sales of its devices have surged since the start of the year as people prepare in their own way for self-isolation.

The company, which retails its own toys for between £40 and £160, claims global demand is 50 per cent above what it had previously expected.

Surprising

Between the first day of January and March 6, sales in Italy are trending 60% above forecast.

Demand among Canadians has surged the most – a whopping 135% higher than expectations – while their neighbours in the US are buying at a rate 75% above predictions.

Johanna Rief, the firm's "head of sexual empowerment", declared: "Of course we didn't anticipate a surge in sales of Womanizer due to corona.

"Many people and businesses are affected negatively by the virus and we saw it as a challenge for us as well.

"The numbers are therefore surprising. We do know from our customer's feedback, as well as from different surveys we conducted among our sex toy tester panel, that time is an essential factor when it comes to sexuality and self-pleasure.

"With the prospect of long periods at home, either alone or with your partner, people are exploring new ways to make the best of the time available."

Some initial data for the UK has shown a 13% increase in British shoppers ordering the goods in February compared to January.

Grave concerns over chippy plan

FURIOUS locals are dead unhappy about plans to turn an undertakers into a CHIPPY.

Complaints have flooded in to Kirklees Council chiefs after plans were revealed to turn The Gables funeral parlour in Huddersfield, West Yorks, into a fish and chip shop.

Local Adam Collins said: "Apart from there being three other chippies around here, it's not in good taste at all to turn a funeral parlour into a chip shop."

Plans to change use of the property state: "As the present occupants (The Gables funeral home) do not hold a signed lease and do not wish to commit to one, the owners of the property wish to convert the property into a top-quality fish and chip takeaway."

A public consultation will end on March 25.

Court told excuse after cop saw flasher's genitals

I NEVER NOTICED THAT MY TROUSERS HAD FALLEN DOWN

DRIVING PEST: Ahmed was following two women

By COLIN HURST
news@sundaysport.co.uk

A FLASHER whose genitals were seen by a woman and a cop claimed his trousers had 'ridden down' without him noticing.

Pensions adviser Abdulrahman Ahmed, 34, was in his car following two women walking along a street in Leicester at 2am when the incident happened.

The father-of-three repeatedly asked the women if they wanted a lift.

When one of them looked at Ahmed, she saw his trousers were "pulled down" and his private parts exposed.

Frightened

After two Leicestershire Police officers became suspicious about Ahmed's behaviour, one of them, PC Philip Gray, went to the window of Ahmed's car and also saw his genitals.

Ahmed quickly tried to pull his trousers up as he was arrested.

He told the officers he had undone his belt to feel more comfortable when driving and his trousers might have ridden down to his knee area without him realising.

Ahmed denied indecent exposure, but a trial jury unanimously found him guilty of the crime last month after hearing the woman victim describe how she felt frightened and disgusted by Ahmed's actions.

When Ahmed, of Oadby, Leics, returned to Leicester Crown Court for sentencing, his barrister, Sarah Cornish, said her client continued to deny any offending.

Mc Cornish told the court: "The [probation] report states Mr Ahmed maintains his innocence and he has asked me for advice on an appeal.

"However, he would comply with a community order, given the trial has found him guilty."

She said Ahmed would probably lose his job and would find it difficult to get another one.

Ms Cornish said: "He has previously worked in the care industry but would not be able to do that with this on his record."

Sentencing Ahmed, Recorder Ruth Coffey told him: "You have not accepted the verdict and you have displayed no remorse."

Ahmed was given a 15-month community order, which includes 30 days working with the probation service to tackle his offending.

McD's take Happy Meal toys off menu

McDONALD's is set to replace its famous Happy Meal toys with non-plastic versions from next year, as it tries to reduce its environmental impact.

The fast food chain said that from 2021 Happy Meals will come with a soft toy, a book, or a paper-based toy.

It hopes the effort will save more than 3,000 metric tons of plastic at its UK business from next year, which would be its biggest single reduction to date.

It will start trialling the new toys from May, when parents and kids will be offered to swap plastic toys when they buy a meal.

"Description: Female cow. Brown with a white head. Faster than it looks. Talented fence jumper. Enjoys pools.

"Pending charges: Mooving Violations, Uddering false checks, and fleeing and eluding police."

Cops said the rogue beast is not considered dangerous but has been known to wander onto local busy roads.

BEWARE THE HIPSTER LOVE CHEATS

MEN with beards and tattoos are twice as likely to cheat than those who are clean shaven and ink free, a new survey found.

Men with tidy beards & tattoos most likely to stray, say experts

By JAYNE FERGUSON
news@sundaysport.co.uk

It reported that the biggest love cheats are men with short beards which are clipped regularly – 58 per cent of men with this style said they had been unfaithful.

The next dodgiest style is permanent stubble – 52% of men with this look admitted they have cheated.

Bushy beards came next – 38% of men with full beards have been unfaithful.

In fourth place was the old-fashioned moustache – 32% of men with this look have cheated.

The most trustworthy look is always clean shaven – just 29% of these men have strayed.

Wrist

The results are from a survey of 1,000 men by IllicitEncounters.com, the UK's leading dating site for married people.

Men who like tattoos are also far more likely to cheat.

Of those who had been unfaithful, 65% of men had at least one tattoo compared with 35% who were ink-free.

The men most likely to cheat are covered in tattoos, with 'the sleeve' – tattoos covering the arm down to the wrist – the biggest giveaway.

Almost eight out of ten men (79%) with heavy tattoos said they had been unfaithful in the past.

Men who wear earrings are also more likely to cheat – 58% of men who confessed to cheating wear an earring or have done in the past, compared to 42% who have never had their ear pierced.

The final hipster sign of adultery is body piercings.

More than half of love cheats (54%) have had a piercing at some point in their lives, compared to 46% who were pierce-free.

IllicitEncounters.com sex and relationship expert Jessica Leoni said: "What these findings show is that women need to be wary of the 'hipster' love cheat.

"Men with beards, tattoos and piercings are far more likely to cheat than men who are clean shaven, ink free and would never dream of getting a piercing.

"Men who want to be 'cool' and hang on to their youth are much more likely to have a wandering eye.

"If your date looks like a hipster but is in his 40s, all the signs are there.

"But you might have more fun with him than with the strait-laced, clean shaven guy who would never dream of getting a tattoo or piercing."

IllicitEncounters.com has enjoyed a 23% rise in registrations since the start of 2020.

Weinstein treated for 'dangerous' blood pressure

HARVEY Weinstein is back in jail after a short stint in hospital for a "dangerous" rise in blood pressure.

The disgraced movie mogul – who was sentenced to 23 years after his sexual assault trial earlier this month – has been discharged from Bellevue hospital and returned to prison.

Weinstein *(above)* was given the lengthy jail term after being convicted of third-degree rape and a first-degree criminal sexual act.

But he was rushed to hospital following the sentencing trial and his spokesperson has now confirmed the reason for being taken in.

Slamming rumours that Weinstein had suffered a heart attack or emergency angioplasty surgery, Juda Engelmayer said: "His blood pressure spiked to a dangerous level and, given his angioplasty last week, they brought him to Bellevue to be watched and monitored.

"He did not have another angioplasty."

Sacked prison guard sent nude snaps to inmate

A PRISON officer has been fired after sending naked pictures of herself and giving treats to an inmate.

Police accuse Breanna Rouse, 23, of unlawfully communicating with an inmate by sending him pictures of her genitals by mobile phone.

Rouse also provided Jolly Rancher sweets and sunflower seeds to the inmate, the corrections department in South Carolina claims.

Those items and the nude photographs – provided between January 6 and March 12 – are "deemed as contraband", the warrant said.

Rouse is charged with misconduct in office and providing contraband to a prisoner.

She faces up to 10 years' imprisonment and a fine of $10,000 if found guilty.

DADDY'S X-RATED GIRL: Mikaela with Steven

By JAYNE FERGUSON

news@sundaysport.co.uk

HE'S made some of the biggest blockbusters of all time but his daughter is producing somewhat more earthy movies...

Mikaela Spielberg, 24, has revealed that her famous father Steven was 'not surprised' by her new porn career.

And Mikaela has denied claims that her director father and his wife, actress Kate Capshaw, had been left 'embarrassed' by the revelation she was working in the adult film industry.

The adopted daughter of Spielberg instead insisted they were 'expecting' her to go down the unconventional career path.

"My parents – despite what people have written – aren't embarrassed, they were actually kind of expecting it to be my career... some sort of outsider art... or taboo art, because they've always known that I was a little bit neurotic," she said.

"That's not to say all performers are neurotic – just the kind of performer I am – they've always known that whatever I wanted to do in life I probably was going to do it whether they liked it or not."

But Mr Spielberg is not the only daddy with a saucy daughter. While most famous fellas' offspring do not go down the porn route, there are plenty who've bared flesh.

Trinny: I ran up debts with posh tights!

FASHION guru Trinny Woodall says she once got into £4,000 debt after buying some TIGHTS.

The *What Not To Wear* telly host, 56, snapped up the tights at posh store Liberty.

Asked what the most extravagant thing she had ever bought was, Trinny said: "When I was spending wildly in my late 20s, I went to Liberty in London and got a store card that charged 28%.

"I bought 100 pairs of tights that year and my debt turned from £800 into more than £4,000 because of all the interest.

"Shopping used to make me happy and there have been times in my life where I went to Debtors Anonymous, which is not just for people who are broke all the time but also for those who don't know how to manage money.

"Apparently it's very common for workaholics like me. I was kidding myself that I knew what I was spending."

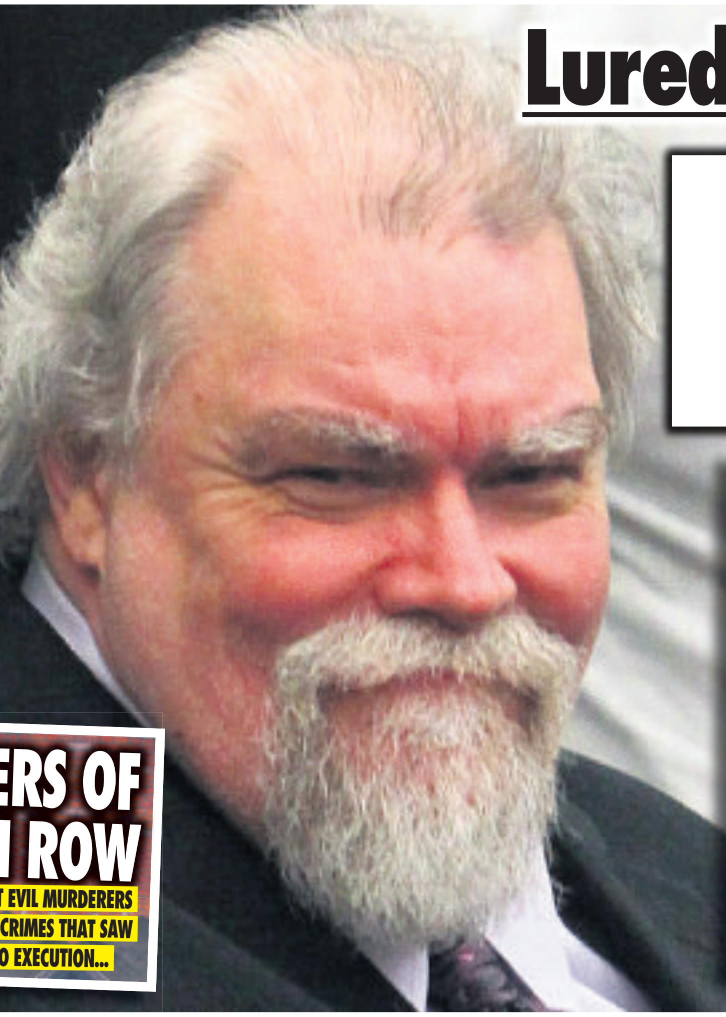
Lured to death

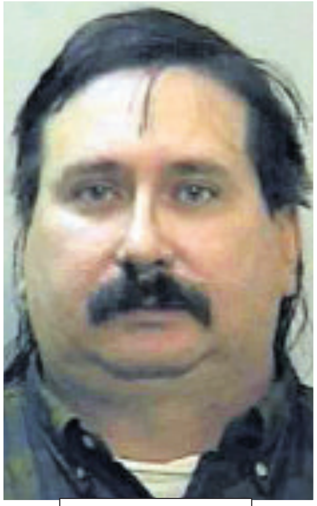
LET

PORTLY Richard Beasley was a church preacher, a self-proclaimed son of God. But deep inside lurked the soul of Satan. He offered a series of innocent homeless men a dream job through the popular website Craiglist – but what he gave them was death...



MONSTERS OF DEATH ROW

THE WORLD'S MOST EVIL MURDERERS AND THE HORRIFIC CRIMES THAT SAW THEM SENTENCED TO EXECUTION...



VICTIM: Ralph Geiger

IT all began with an innocuous-looking advert posted on the internet.

It read: 'Wanted: Caretaker For Farm. Simply watch over a 688-acre patch of hilly farmland and feed a few cows. You get 300 a week and a nice two-bedroom trailer.

'Someone older and single preferred but will consider all. Relocation a must. You must have a clean record and be trustworthy. This is a permanent position.

'The farm is used mainly as a hunting preserve and has a stocked three-acre pond, but some beef cattle will be kept.

'Nearest neighbour is a mile away. It will be a real getaway for the right person – the job of a lifetime. If you are ready to relocate, please contact asap.'

For Ralph Geiger, 56, David Pauley, 51, and Timothy Kern, 47, the words 'job of a lifetime' were like manna from heaven.

They answered the ad looking for a fresh start in life.

But instead they found themselves gunned down and tossed into a shallow grave by evil Richard Beasley, who was being

By BRAD CHADWICK

investigated by police for drugs offences and for masterminding a prostitution ring.

Beasley, from Akron, Ohio, planned to steal their identities and make a break for the border to evade capture.

He now sits on Death Row, having been found guilty of his sickening crimes in 2013.

The victims' brains were literally riddled with bullets.

As his only daughter, Tonya, points out, Beasley killed them in the same woods where he'd taken her to experience the wonders of nature as a child.

Tonya said: "The place that he viewed as a family place, the place where he could share real family moments with me, that was also the place he would go to kill people."

State prosecutor Sherri Bevan Walsh thinks Beasley is, quite simply, a monster of the highest order.

"Richard Beasley is one of the most cold-blooded killers we have ever seen in this county," she said.

Beasley, known as Jack to his friends, married wife Tina – and fathered Tonya – before their relationship deteriorated after just a few years.

A divorced dad, Beasley worked various farm-based jobs while also clocking up a criminal rap sheet that included burglary, petty thefts and firearms offences.

But cops could never have guessed that this low-level robber would one day turn into a serial killer.

He was a faithful member of his church and popular with the local kids, who joked how he bore a cuddly resemblance to Santa Claus because of his rotund belly and white beard.

Crashed

He even created a halfway house for wayward kids and drug addicts, seemingly trying to get them back on the religious path to redemption.

No-one had a clue he wasn't exactly practising what he preached.

He kept the vulnerable kids in line by handing them drugs.

In 2011, detectives started to gather evidence that he was also pimping out some of the girls he was supposed to be helping.

Beasley knew the net was closing. He was either going on the run or going to prison.

His solution was to try to create a new identity and then disappear for good.

The first man in Beasley's sights was Ralph Geiger, who was living in a homeless shelter in August 2011.

Once a successful business owner, Ralph had fallen on hard times when the economy crashed.

He visited the public library every single day, desperately searching for jobs. That's where he saw Beasley's advert on Craigslist.

Unfortunately for him, he took the bait.

Beasley, along with his terrified and coerced teenage sidekick Brogan Rafferty – a waif and stray he had taken in, befriended and treated as his 'nephew' – pounced.

Ralph was lured to the woods, shot in the back of the head and his wallet swiped.

Within a few days, Beasley was using Ralph's social security number as part of his wicked deception.

He had even coloured his hair to match murdered Ralph's.

By October, Beasley was looking for a new target. He found it in David Pauley, a father-of-one who had hit the skids having divorced his wife two years earlier.

When he got Beasley's 'job offer', David packed his truck and trailer and set off to Ohio from his native Virginia 'happy and excited', according to his sister Debra Bruce.

She never heard from him again.

Just like Ralph, he was executed in cold blood by Beasley and Rafferty.

A month later, it was the turn of Timothy Kern.

Again he was lured to the back country by the promise of gainful employment.

Tim had divorced in 1997 and was doing everything he could to provide for his three sons, seeing them every

day and helping to coach their baseball team.

On November 12, Tim announced on Facebook that he'd taken the offer of a dream job, the only drawback being he wouldn't be able to get phone reception.

Most of all, though, he'd miss his kids.

He texted the boys to tell them he loved them. It was the last time anyone would hear from him.

In court, Brogan Rafferty gave a harrowing account of Tim's brutal death.

As family members wept, he revealed: "I heard a pop and I turn around and Mr Kern is on his knees, kind of holding the side of his head, and Beasley is saying to him, 'Are you all right?'

"Beasley shot him again. I think he shot him three times in the head.

"The gentleman was still breathing, so Beasley went up and got the gun close to him and he shot him again.

"I said, 'He's still alive' and Beasely said, 'His brain's dead, there's no way – he's got four bullets in his head and I put one between his eyes'.

"He then emptied his wallet. The man literally, I think, had five dollars on him."

By now, Beasley was getting complacent.

And when he went fishing for a fourth victim, he got more than he bargained for.

Scott Davis, 48, was divorced and estranged from his wife and son, but he was looking for work where he could find it while living at his brother's house.

He saw Beasley's advert and began dreaming of a new life.

After turning up at the farm, Beasley took Scott off into the woodland to repair a path, only to become 'confused' and forget where he'd left the equipment they needed.

As Scott turned away from Beasley, he heard a 'click' – the sound of a gun misfiring – followed by a whispered swear word from Beasley's lips.

Scott said: "I looked in his eyes and all I saw was coal. They were black eyes. They were black like a shark in feeding water.

"It must have jammed. I should have hit the ground and that should have been the end of me.

Graves

"I turned around and when I did he shot me right in the elbow. It shattered everything in there."

Badly wounded but still standing, Scott began sprinting.

He said: "I just kept running and falling and running and falling – and he just kept popping shots at me."

Scott somehow hid throughout the night, surviving until dawn, before he eventually managed to summon help from a nearby farmhouse.

Now the hunt was reversed as cops flooded the area looking for Beasley and Rafferty.

One by one, the graves of the deceased were discovered.

A day later, Beasley and Rafferty were arrested.

In November 2012, Rafferty was sentenced to life in prison having pleaded guilty to all the charges against him.

He told a jury he'd been too scared of Beasley to go against his twisted plans.

"I was involved but I didn't like it," he said. "I wouldn't have done it if I'd had any other choice."

Beasley, on the other hand, still protests his innocence to this day.

After being found guilty, he angrily spat: "I state here today officially and for the record: I have killed nobody. That's a fact."

Nevertheless, he was handed a death sentence in April 2013.

Survivor Scott – the key witness in putting Beasley behind bars – had strong words for the slayer who failed to claim his life.

He looked him in the eye and said: "I will be there when you get the death penalty, smiling. You'll remember this face."

While it's tough to feel any remorse for Beasley, there was one final twist – with his mother Carol tearfully begging for leniency.

Carol claims her son, like so many other serial killers, had suffered physical abuse by his stepfather and had also been sexually abused by other neighbourhood youngsters.

Now, though, it's Beasley's own daughter Tonya who must carry the weight of what her father has done.

After all, it was Tonya who helped her dad create the Craigslist advert in the first place.

She says: "I blamed myself for everything that happened. If I'd known he was planning to use the internet to do these things, I wouldn't have shown him when he asked me about it.

"It was new technology to him, so of course I showed him all of these things.

"He just told me he wanted to sell a few of his old things that he could no longer use.

"I didn't think anything of it at the time. I thought it would just help him make some side money."

HE SHOT OFF MY DICK!

Fight at home leads to agonising injury

By GRACE HOOPER
news@sundaysport.co.uk

A MAN told cops that his fiancee's son shot the end of his dick off while struggling for a pistol during a bust-up at their home.

The victim thought he saw a bruise on his two-year-old son and got into an argument with Daniel Crowder after blaming him for it.

That 'bruise' later turned out to be hair dye.

During the argument, Crowder reportedly went to the back of the house and the victim then heard a gunshot.

Court papers say Crowder walked toward the victim with a pistol in his hand, saying something similar to "Who you going to shoot and stab?"

Injury

The victim told police he then ran at Crowder and grabbed at the gun to get it away from him.

As the pair were wrestling for the pistol, a shot was fired, hitting a part of the victim's penis.

The victim still managed to tackle Crowder before fleeing.

Crowder reportedly shot at him twice more, missing him both times.

Police say the victim was taken to hospital for treatment to his injury.

A source said: "I was sitting out my front porch when I heard me a whole mess of gun-shootin'.

"I hollered, 'Hey, quit that racket, you bunch of low-down swamp rat critters'.

"And that's when this gentleman runs out, holding his matrimonial equipment, hollering 'He done shot me in the genitals, yessir. He shot off my dick!'"

Crowder *(above)*, of Nashville, Tennessee, was later arrested.

He is due to appear in court charged with aggravated assault.

Yelping naked man hurled rocks at cars

A MAN was arrested for standing naked in his driveway and hurling rocks at passing cars.

Cops called to a propertry in Port St John, Florida, found Duy Khanh starkers in the driveway.

Deputies said multiple witnesses nearby saw Khanh throwing rocks and hitting vehicles while yelping.

Khanh, 34, is being charged with the exposure of sexual organs, according to jail records.

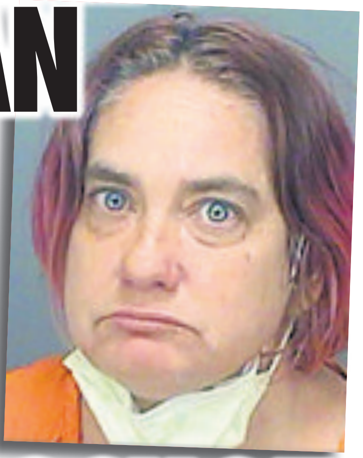
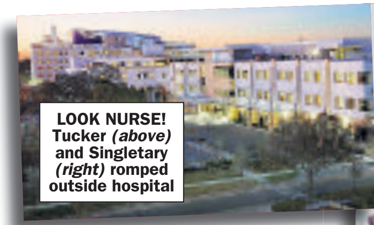
HOSPITAL SEX WOMAN WORE VIRUS MASK IN MUGSHOT





LOOK NURSE! Tucker *(above)* and Singletary *(right)* romped outside hospital

A BOOZED-UP couple were caught having sex in public outside a hospital.

Ann Marie Tucker, 45, and Albert Singletary, 37, were "found to be exposing sexual organs in plain view of the public" across from the hospital.

The pair were shagging on the pavement "in close proximity to a no trespassing sign," police said.

Singletary's "penis, testicles and buttocks were displayed within view" of nearby citizens, while Tucker's vagina was also on view as they romped across from St Anthony's Hospital in St Petersburg, Florida.

Tucker had to lower her anti-coronavirus surgical face mask before she had her mugshot photo taken.

She and Singletary were each charged with trespassing and exposure of sexual organs.

By COLIN HURST
news@sundaysport.co.uk

Tucker pleaded guilty to both counts and was sentenced to 10 days in the county jail.

Singletary, who has been in custody since his arrest, is being held in lieu of £275 bond.

A police source said: "It's probably needless to say, but they were both drunk as skunks.

"Why that would encourage them to strip off and start having sex in front of a hospital is anyone's guess, but we're pretty sure the booze had something to do with it."

Man kills six relatives then blasts himself

A 66-year-old man fatally shot six relatives before killing himself in a small community, say police.

Larry Don Ray was found among the dead having apparently blown his brains out after blasting the others.

Authorities are still investigating a possible motive for the crime in which the victims ranged in age from 39 to 93.

Cops described the area as a "quiet, close-knit community where violence is out of the norm".

The shooting happened on Sunday afternoon in the Moncure area of Chatham County, 30 miles south-west of Raleigh, North Carolina.

Sheriff Mike Roberson said in a statement: "There are no words to describe the sense of loss we feel as a community."

GEM FRAUDSTER'S BID TO EAT STOLEN CARD

A BLOKE caught using the stolen credit card of a dead man tried to EAT it in front of police.

Cops were called to a shop following claims a man had been trying to purchase jewellery with a fraudulent card.

Jose Herrera (*below*), 27, who had been detained by security, was making "strange movements" with his hand inside his pocket.

Police found a bag of white powdery substance in Herrera's pocket and when questioned, he replied: "I'm not going to lie, it's cocaine."

Bizarrely, Herrera then tried to eat the card in an attempt to destroy the evidence before he could be questioned.

He had been able to buy a soft drink, £300 worth of gift cards and had attempted to buy £300 worth of jewellery on the stolen card.

Herrera was found to be in possession of 13 other fraudulent credit and debit cards, but investigators in Disney Springs in Florida said the card in question was stolen from a deceased man.

He was charged with fraud and banged up.

TEACHER TOSSED OFF TEEN PUPIL

SENT NUDE PHOTOS: Krista Stump

A TEACHER is facing sexual assault charges for wanking off a teenage student.

Krista Stump, 34, also allegedly sent nude photos of herself to the 15-year-old victim.

Authorities said they received a report that Stump was having inappropriate physical contact with a student at the high school where she worked as a teaching assistant.

Stump surrendered to county detectives and was charged with institutional sex assault, unlawful contact with a minor and indecent assault of a child under the age of 16.

By GRACE HOOPER
news@sundaysport.co.uk

A tip from a student led to the investigation, said Superintendent Richard Mextorf.

The boy reported that Stump had “come onto him” in a classroom and

Nude

Stump had asked the victim to add her to his Snapchat account.

He hesitantly agreed and subsequently received text messages from the teacher for about two to three weeks, prosecutors said.

The victim described the messages from Stump as “weird” and “sexual”.

He added that Stump sent him nude photos of herself, prosecutors said.

Detectives said they also learned that Stump had indecent contact with the victim inside a classroom.

Stump, who had worked at Hamburg Area High School, Pennsylvania, since last November, was suspended from her job on February 13 pending an investigation.

She was fired the following day, according to Supt Mextorf.

Stump, of Orwigsburg, Schuylkill County, was released on £19,000 unsecured bail.

Her attorney has not yet entered a plea in her case.

PATSY PALMER
SCARLETT MOFFATT

IT takes more than a deadly death plague to put the good old British public off their baked goods!

Oscar winning actor Richard Dreyfuss, former *EastEnders* beauty Patsy Palmer, *The Inbetweeners* star James Buckley and TV personality Scarlett Moffatt took part in *The Great Celebrity Bake Off* for Stand Up to Cancer on Channel 4 last night.

Presenters Sandi Toksvig and Noel Fielding guided the stars through assorted tasks, while Paul Hollywood and Prue Leith judged their celeb baking skills.

The quartet were tasked with making roulades for their Signature challenge, alongside a tricky Technical and their favourite place in the form of a cake for their Showstopper.

Which is all well and good – but we’ve got Patsy 47, and Scarlett, 29, with their boobs out!

It’s not just the bread that’s rising, eh?

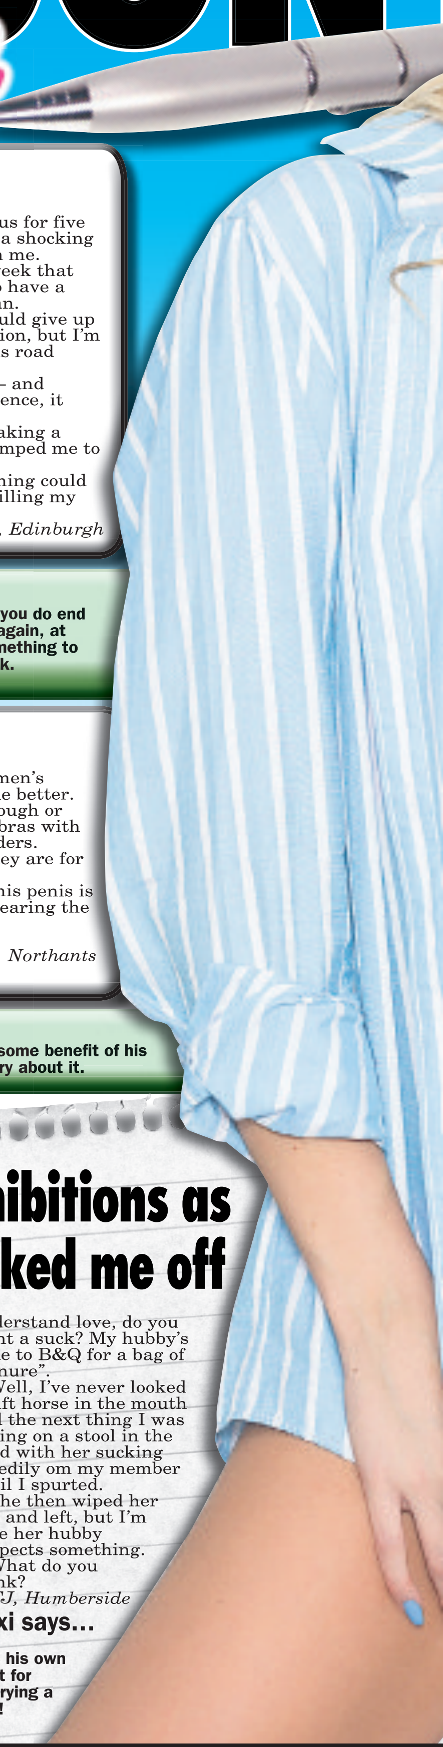
THE WORLD FAMOUS AGON

Page



Dear Lexi,

I'VE been married to my missus for five years and I've just discovered a shocking secret she's been keeping from me.

She suddenly told me last week that she's bisexual and wants us to have a threesome with another woman.

Now I know most blokes would give up a left bollock to be in my position, but I'm not sure I want to go down this road again.

You see, I've tried it before – and although it was a great experience, it ended up backfiring on me.

My ex-girlfriend ended up taking a fancy to the other bird and dumped me to move in with her.

I'm worried that the same thing could happen again if I agree to fulfilling my wife's fantasy. Any advice.

PK, Edinburgh

Lexi says…

FILM it, and even if you do end up getting dumped again, at least you've got something to put in the wank bank.

Dear Lexi,

MY husband is really into women's underwear – and the sexier the better.

He 's always buying see-through or crotchless knickers, peephole bras with basques, stockings and supenders.

But they are not for me – they are for HIM!

I must admit, though, that his penis is always rock-hard when he's wearing the kinky skimpies.

But is this normal?

RG, Northants

Lexi says…

IF he lets you have some benefit of his hardness, don't worry about it.

I shed my inhibitions as neighbour sucked me off

Dear Lexi,

THE other day I was in the shed on my allotment, tossing myself off over the pictures in one of a stack of old-ish porn mags I keep under a pile of old sacks.

Just as I was getting to the vinegar strokes I heard a knock – and then the shocked face of the wife of the bloke who has the next allotment appeared at the window.

I quickly pulled my pants up and went out to explain that as a lonely widower all I could rely on was my stash of old jazz mags and didn't trust the internet.

She said: "Aww, I understand love, do you want a suck? My hubby's gone to B&Q for a bag of manure".

Well, I've never looked a gift horse in the mouth and the next thing I was sitting on a stool in the shed with her sucking greedily om my member until I spurted.

She then wiped her gob and left, but I'm sure her hubby suspects something.

What do you think?

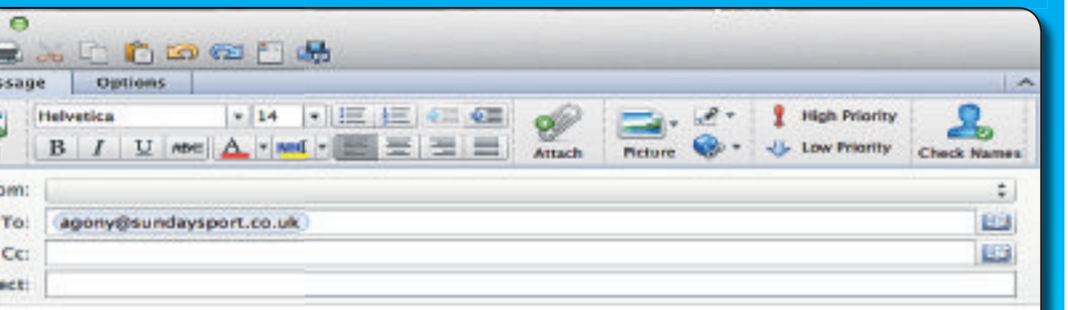
TJ, Humberside

Lexi says…

IT'S his own fault for marrying a hoe!

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week LEXI LOWE has been reading through your letters. And here's her advice for you…



To: agony@sundaysport.co.uk

Should we let stranger film our sexhibitions?

Dear Lexi,

THE wife and I are both big exhibitionists.

We find it thrilling to have sex in places where we might get caught – in the car, at the beach in the summer, in changing rooms and even on public transport.

Once, we got horny on a train and started diddling with each other and getting carried away.

As it happens, the carriage was half full of football supporters who, far from telling us to cut it out, encouraged us to get stuck – which we did, to their cheers and howls of delight.

Helmet

We are both in our late-20s, have high sex drives and have fit, well-toned bodies.

My wife's a gorgeous-looking redhead with fantastic tits and doesn't mind who sees them.

In order for us to reach a wider audience for our exhibitionism, we have started driving to a local dogging site.

We have become so incredibly popular at this site that large crowds gather to watch us going at it – same time, same place, every week.

Other couples often get a bit miffed that the audience tends to gather round our car because we put on such a great show.

Last week, though, we said we would only perform for the crowd if each of them slipped us a tenner through the car window.

With almost £200 in the kitty we put on a real exhibition – lasting well over half-an-hour.

First the wife wanked me to my full nine inches, gently squeezing my balls and licking the tip of my cock.

She then took my helmet between her soft, full lips and began sucking it until I was almost ready to come in her mouth.

Then she whipped me out of her gob and straddled me while I sucked on her magnificent tits, which were bouncing around in my face.

After that we got in the back seat and I bent her over, doggy-style, to take her first in the fanny and later up the rear as the crowd looked on and pulled on their puds.

Then for the grand finale she brought me to the brink in her mouth again before I splashed my hot spunk all over her face – in true porn film style.

After the crowd had applauded – and shot their loads – and moved away, one guy came over to us and offered us £500 if he could film our next public session.

He insists that it's just for his own private use.

I'm up for it, but the wife is a bit worried in case he posts it online and someone who she works with sees it on the net.

What should we do?

FT, West Midlands

Lexi says…

DON'T do it – but see how he feels about paying £250 for a private show at your place. I'm sure the cash would come in pretty handy.

I bought vibrator to replace hubby

Dear Lexi,

MY hubby and I have been married for 20 years, but we hardly ever have sex these days.

When we were first married we were at it all the time – he used to love going down on me for hours on end and giving me multiple orgasms before ramming his big, hard willy up me.

I was discussing the proble with a female workmate recently, as us girls do.

She suggested I get myself a vibrator and have some solo fun if my old man isn't up for shagging any more.

I went online and after looking at all the recommendations bought myself one – paying extra for next day delivery because I was getting wet just thinking about using it.

It arrived the next day and that evening, while my hubby was in the pub, I lay on the bed with my new toy. I put batteries in and eased it over my clit and into my pussy.

I quickly fell in love with it and soon had a massive orgasm.

Since then I have been doing it four nights a week while my fella is out boozing.

Last night, my hubby came home early, caught me at it and called me a 'dirty slut'.

I explained that I enjoyed sex and as I was not getting any from him, I had to do something about it.

Now he won't even talk to me.

What should I do?

NW, Lincs

Lexi says…

TELL him to man the fk up, get his cock out and give you a good seeing-to. It's his duty!**

Dear Lexi,

I'M a recent divorcee, aged 33, and I love to wear stockings, sussies and a basque.

That's my usual gear under whatever I've got on for the day, which is normally a long skirt and blouse. I'm enjoying being single for the first time in ages and have begun to notice the blokes at work eyeing me up all the time.

I think they know what kind of underwear I have on because one of them offered me £20 to lift up my skirt and show him.

He was a good-looking fella, so I thought, 'What the hell?'

We went to the toilets and I hitched up my skirt and then bent over to show him my bum.

When I turned round he had his cock in his hand and was beating one off.

His cock was huge and I eased down my panties and began to play with myself, too.

Just as I was about to come I shouted at him to ram it in, and he did – bringing me to a huge orgasm.

But word got round the office and now all the lads are offering me cash to flash.

What can I do?

TY, West Yorks

Lexi says…

JUST stick to the one guy or you won't be emptying sacks, you get it!

#MY SEX FANTASY

'I love to whisper in my man's ear with a bit of dirty talk...'

MIDWEEK Sport

ALWAYS HOME OF TOPLESS BABES

...WITH CHLOE TOY, 26 32B-25-35 FROM CROYDON

I HAVE always wanted to join the Mile High Club.

I've been talking about it for years, and I'm definitely going to do it before I die.

I just think having sex on a plane is the ultimate in naughtiness.

Even if I get caught – I don't care!

I did it in a car once.

We were parked in a car park and it was brilliant – especially as someone nearly walked past.

To be honest, I think it's more exciting if you can get caught at it!

I definitely like to be in control in the bedroom – I love being on top.

Of all the different sexual positions, I just like being on top the best.

And I try to impress my man with a nice bra and knicker set, too – or maybe a short, silky nightie.

I like whispering in a man's ear with a bit of dirty talk.

That's guaranteed to get us in the mood.

Then I can get on top and take charge!

DISHY Zuzana Drabinova has shared her hottest sex fantasy with us.

The 29-year-old, who lives in Edgware, north London said: "I fantasise about having a wild romp in the office with a sexy co-worker.

"We would have been flirting outrageously for months, and just holding back – trying not to let anything happen.

"But he's really hot and I can't keep my eyes off him, and I notice him staring at me, too.

Tipsy

"Then one Friday after work we go out as a team for drinks and we get a little tipsy – we make eye-contact and in that moment we know we're going to shag!"

The 36DD beauty – who's originally from Prague in the Czech Republic, added: "Then we'll sneak back into the office.

"He'll bend me over a desk and bang me into next week.

"I have a massive orgasm which brings him to the point of no return.

"As a lover of porn, I don't mind at all when he pulls out of me comes all over my tits."

IT'S finally time to say goodbye to the creepy Crawleys of Downton Abbey and hello to the horny hotties of buxom Bottomley Manor!

For all you red-blooded fellas who love your porn but are bored to tears by dull *Downton Abbey* this is your lucky day.

Released last week, the UK's most highly anticipated adult movie is available exclusively through the *Sport's* adult partner *Private Shops* and, for a limited time they're offering readers another **£5 OFF** the already low, low price.

Down On Abby is a big budget, full length adult masterpiece starring porn legend Ben Dover and a cast of the hottest adult stars around. It will transport you to Bottomley Manor, home to the Lord Grabhem (played by Ben Dover), his wife (and 2014 AVN nominee) Jasmine Jae, and their two young promiscuous step-daughters, Abby and Fanny.

The Grabhems have invited the Stiffies to dinner and their staff, led by butler Smallc*** and footman Master Bates, hurriedly prepare to receive their honoured guests.

But during preparations some members of staff have their own ideas of how to make the night go with a bang! As dinner approaches it seems everyone's got more than fancy nosh on their minds. Mind you, there is plenty of noshing as well as lots of other filth that will even cause a crease in Carson's keks.

We see plenty of R18 DVDs at the Sport but this one is really something special and one you MUST not miss!

This future classic stars Ava Dalush as Missy, Cathy Heaven as Lucy, Emma Leigh as Betty, Jasmine Jae as Lady Wanda Grabhem, Jasmine James as Fanny Grabhem, Jess West as Lady Stiffie, Lexi Lowe as Abby Grabhem, Ben Dover as Lord Will Grabhem, Big Bad Dave as Smithers and Clarke Kent as Master Bates.

Nicky, 37, from Telford, Shropshire, said that he gets a stiffy just thinking about hopping into bed with Kerrie and getting to grips with her 30Hs – even if it is just a dream.

Pharmacist David said: "Patty is a real beauty and I would love to see more of her in the paper.

"She has an absolutely cracking set of knockers and I don't think she gets half the attention she deserves.

"Come on *Midweek Sport*, give us a quick peek!"

WORRY: Gosden

ALL RACING OFF UNTIL MAY AT THE EARLIEST

By JOHN ANTHONY

HORSERACING is the latest sport to cancel its fixtures as corona strikes. All meetings have been called off from today until the end of April.

The news seemed inevitable after the Grand National was cancelled and the Prime Minister called for an end to all public gatherings.

Yesterday's action at Taunton and Wetherby were the final cards for six weeks. Ireland are still racing on behind closed doors for the moment.

The British Horseracing Authority says the decision is under constant review. Their statement said: "The formal decision was taken by Board of the British Horseracing Authority this morning based on the statements made by the government yesterday and after consultation with senior industry leaders.

BHA BOSS: Nick Rust

"Medical advisers to the RCA and the BHA, who have been advising an industry group on the response to the crisis, have also been consulted.

Combat

"The BHA took the decision to protect essential emergency services and the health and welfare of staff working in the racing industry.

"Racecourses and racing have obligations to ensure the safety of participants and provide medical cover which clearly cannot be fulfilled in these circumstances.

"This follows the new advice issued by government yesterday to combat the spread of the virus."

BHA boss Nick Rust added: "This is a national emergency the like of which most of us have never seen before.

"We're a sport that is proud of its connection to rural communities and to the local businesses that support our industry.

"But our first duty is to the health of the public, our customers and to racing industry participants and staff so we have decided to suspend racing following the government's latest advice."

Trainer John Gosden is getting his horses ready for what should have been the start of the Flat next weekend.

He said: "The one thing we don't want is them to shut Newmarket Heath which would be a disaster. Horses need to be exercised in the fresh air rather than cooped up in an indoor ride."

FOOTBALL CALENDAR RIPPED

NOW IT'S

UEFA call off summer finals with Champions and Europa Leagues ending in late June

DEFENDING CHAMPS: Portugal won the trophy way back in 2016

By JOHN ANTHONY

EURO 2020 has been postponed for 12 months.

UEFA announced that the tournament will now be played from June 11 to July 11, 2021.

The play-offs for the Euros that were meant to take place this month will now happen in June.

And it looks as though the Champions and Europa League will be pushed into the summer.

No official date has been given for the finals of those tournaments but June 24 and 27 have been pencilled in.

The 2020 Copa America is also being put back by 12 months. There is no date for the women's Euro 2021 finals that will now clash with the men's tournament.

It looks as though the new FIFA Club World Cup that was set to be massively expanded next summer will have to wait.

England and Wales have already qualified with Scotland, Ireland and Northern Ireland hoping to join them through the play-offs.

UEFA President Aleksander Ceferin said: "It was important that, as the governing body of European football, UEFA led the process and made the biggest sacrifice.

"Moving Euro 2020 comes at a huge cost for UEFA but we will do our best to ensure that the vital funding for grassroots, women's football and the development of the game in our 55 countries is not affected.

Empty

"Purpose over profit has been our guiding principle in taking this decision for the good of European football as a whole.

"Football is an uplifting and powerful force in society.

"The thought of celebrating a pan-European festival of football in empty stadia, with deserted fan zones while the continent sits at home in isolation, is a joyless one and one we could not accept to celebrate the 60th anniversary of the competition."

As it stands, Euro 2021 will still take place in 12 cities across the continent, which is a break from the usual host nation.

Moving back a year gives domestic leagues a chance to complete their fixtures this summer.

It looks as though UEFA will ask all nations to have their season finished by the end of June.

That will be mapped out at an emergency meeting of the

APART TO COPE WITH CORONAVIRUS

EURO 2021

continent's national leagues tomorrow.

If football restarts on April 3 — which seems unlikely — that would allow ample time for the season to be completed.

But the season will have to get underway by the middle of May to meet that deadline with teams playing two games per week.

Void

At this stage, reports from Europe suggest that the campaign will be declared null and void if it goes on any longer than the end of June.

There is talk that the Champions League and Europa League may go to single matches rather than two legs to get the competition finished in good time.

One idea being floated is to play the semi-finals and final of the Champions League in Istanbul over four days.

If that is adopted, the Europa League could end in a similar way with the final set for Gdansk in Poland.

That could affect Manchester United who are on course for the quarter-finals.

A statement from Old Trafford said: "We will continue to play an active role in discussions through UEFA and the Premier League and we will monitor developments closely."

"The health and well-being of fans, players and staff has to come first."

SEEMS A LONG TIME AGO: Chelsea's Europa League win

Rugby league planning for big shake-up

SUPER League and the rest of the sport may look very different when it resumes after the coronavirus break.

The RFL has shut down all games from the top to park matches have been postponed until April 3 at the earliest.

That means at least two rounds of the Super League season will be lost and the sixth round of the Challenge Cup is at risk given the games are scheduled for the comeback weekend.

Many pundits think it's unlikely that sport will get back to normal in as soon as three weeks.

Super League executive chairman Robert Elston has warned teams that tough decisions will have to made about the season when things do return to near normal.

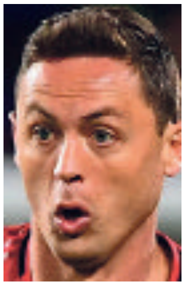
He said: "It has to be very fluid. We've already talked internally and to the RFL about how we might accommodate that.

"Ultimately clubs want to protect their regular home season fixture list and that needs to take priority.

"There will come a point when it gets more challenging. But the message is that this is being monitored day to day and fixture lists will emerge on a similar basis subject to what the advice and messaging from Government is."

RFL boss Ralph Rimmer admits the sport may need help to get through this.

He said: "All the partners, which will include the Government and broadcast and commercial partners, are going to have to get their heads together and come up with solutions."



NEW DEAL: Matic

Reds sign Matic for extra year

MANCHESTER United have triggered the one-year extension in Nemanja Matic's contract.

The Serbian midfielder would have been free to leave at the end of this season had the clause not been exercised.

The 31-year-old joined from Chelsea three years ago and has returned to the first-team picture after a period in the Old Trafford wilderness.

He has played nine of the past ten Premier League games with only suspension breaking that sequence.

United boss Ole Gunnar Solskjaer said: "We have agreed with him so he will stay, 100 per cent."

The news comes as United have ended training at their Carrington complex.

They were due to return yesterday but have asked the players to work on individual programmes at home for the time being.

A United spokesman said: "In light of governmental advice and the evolving situation the team are not returning to training."

Hales out after virus hits cricket

ENGLAND batsman Alex Hales has returned from a stint in the Pakistan Super League with coronavirus symptoms.

The 31-year-old came back at the weekend after the tournament was ended early.

Hales played for the Karachi Kings and his illness forced the plug to be pulled on all matches.

Pakistan cricket legend Ramiz Raja confirmed the news. He said: "It is an unfortunate scenario. A good and right decision has been made in the end.

"Hales has developed some symptoms. We, the broadcasters and the commentators, are also undergoing tests."

Snooker off

THE World Snooker Tour event in Llandudno was called off last night.

It was originally set to take place behind closed doors. The move was made after the government updated its advice on tackling coronavirus.
